

Dear Parents / Carers,

Wenning visit to Nelson Mosque

As part of our Religious Education topic this half term, which is the religion of Islam, we are planning a visit to the Ghausia mosque in Nelson. The date of this visit will be the **Friday 17th May** and we will visit the mosque within the school morning, returning to school in time for lunch.

During the visit we will meet a member of the mosque and we will be shown around the mosque, looking at some artefacts from the building.

There is no cost involved in this educational visit, however please sign the consent form below and return it to Wenning as soon as possible.

Many thanks,

A. David
