## RE: Visit Willmott Dixon Building Company

Dear Parents/ Carers

This year we are lucky to have set up a work-related learning connection with Willmott Dixon Construction.

Willmott Dixon is a family-owned company who supports the local community when they are involved in building or developing new environments. The company will be building the new police station in Nelson over the next year, so they have made links with PCHS&C. This fantastic opportunity will allow our students to have real employability encounters with a range of different career options within the building trade.

This academic year, staff from Willmott Dixon will be coming into college for 4 discussion sessions, then students will go out to visit their site in Preston at D'Urton Grange Residential Development, where they are building a range of affordable homes in the heart of the community.

Your son/daughter has been chosen to be part of the first group to work with Willmott Dixon. Staff from the company will be coming into college to meet the young people on Thursday 23<sup>rd</sup> May 2024 and then the planned session dates are:

**Session 1 – Thurs 6<sup>th</sup> June - pm**

**Session 2 – Thurs 13<sup>th</sup> June - pm**

**Session 3 – Thurs 20<sup>th</sup> June - pm**

**Session 4 – Tues 25<sup>th</sup> June - pm**

**Session 5 - Thurs 27<sup>th</sup> June - pm - (Site Visit at D'Urton Grange Residential Development – Preston)**

If you are happy for your daughter/ son to take part in these sessions and the site visit please complete the slip below and return it to college.

Yours sincerely

Andrea Huggett
