

Themed Days

Dear Parent/ Carer,

We are having three themed days for our students from October 30th to November 1st. Each day will be filled with engaging activities designed to inspire creativity and learning.

October 30th	
<u>Morning</u>	<u>Afternoon</u>
English – Creative Writing and Poetry	Science – Activities linked to World Heart Day
October 31st	
<u>Morning</u>	<u>Afternoon</u>
Designing and Making Kites	Halloween Activities
November 1st	
<u>Morning</u>	<u>Afternoon</u>
Firework Safety Activities and Bonfire Crafts	Maths – IXL Competition and Puzzles

October 31st – Non-Uniform

On this day, students will be designing and constructing their own kites. We will be providing kite kits for each student but we are encouraging the students to bring in materials from home to add to this if they so wish. The basic components would include sticks, special paper, ribbon or material.

Students can also come in **non-uniform on the Thursday** or can choose to wear Halloween costumes.

We look forward to seeing all the wonderful creations the students will make during these days.

Best wishes

Debra Grogan

Headteacher
