Unavoidable School Closure – 29/11/2024

Dear Parents & carers,

Most of the necessary fencing has been completed today, however more contractors will still be on site tomorrow to install scaffolding around areas of the building. As the safety of our students is paramount it will be necessary to also remain closed on Friday 29th November.

It is expected that school will re-open on **Monday 2nd December**.

For those students that are able, they should continue to access our online platforms and as per today, please be aware that there will be no staff on site to respond to phone calls but contact can be made via your child's form tutor.

Once again, we sincerely apologise for this disruption which is beyond our control.

Best wishes

D Grogan
